JAIN (Deemed-to-be University)

JAIN (Deemed-to-be University) aims to foster human development through quality education, research, entrepreneurship development and sports. It is ranked among the top universities in India for its ever evolving and open-minded system and quest for continued success and resilience. Over the years, the university has made conscious and concrete efforts to build on its strengths and consolidate its achievements. The university has been accredited by the National Assessment and Accreditation Council (NAAC) with A++ with a CGPA of 3.71 out of 4, leading to the status of Category-1 University with full autonomy by the University Grants Commission (UGC), Government of India. The university has been ranked 62nd by the National Institute of Ranking Framework (NIRF) 2025, Ministry of Education. The university is an ISO: 21001:2018 Certified for Quality Management by TUV Nord. It is a member of the Association of Universities of Asia and the Pacific.

Centre for Distance and Online Education

The Centre for Distance & Online Education (CDOE) launched in the year 2019, is a part of the NAAC A++ graded JAIN (Deemed-to-be University), offering UGC-approved degree programs in Online & Open and distance education mode to empower learners by providing the latest knowledge and skills to help them effectively shape their professional paths. Leveraging over 30 years of educational expertise and advanced technology enabled learning methodologies, CDOE prioritizes academic as well as personal growth, facilitating well-rounded development. With a team of skilled academicians and digital innovators, our flexible Learning Management systems (LMS) empowers learners to acquire knowledge from anywhere at any time.

About the Event

The '7-Day Workshop on Quality Assurance for Institutional Excellence: A Capacity Building Exercise for Distance Education' is an intensive and strategic initiative designed to cultivate a culture of continuous improvement in Higher Education. Its primary objective is to empower faculty and administrators with the skills needed to implement Outcome-Based Education (OBE), leverage modern pedagogical tools, and streamline internal quality assurance mechanisms. By demystifying global and national accreditation standards, the program enables institutions to conduct effective gap analyses, standardize documentation, and foster a robust research ecosystem. Ultimately, it transforms institutional governance, ensuring sustainable academic excellence, enhanced stakeholder satisfaction, and successful readiness for prestigious national and international rankings.

Objectives

1. To enhance awareness and understanding of quality practices in higher education.
2. To strengthen capacities for promoting excellence in teaching, learning, and institutional processes.
3. To encourage active stakeholder participation in quality enhancement initiatives.
4. To foster a culture of continuous improvement and professional development.

Scope

The program provides a platform for exploring contemporary approaches, best practices, and emerging trends that support quality enhancement and institutional excellence.

Expected Outcomes

1. Enhanced understanding of quality-related concepts and practices.
2. Increased capacity to contribute to institutional development initiatives.
3. Improved stakeholder engagement in quality enhancement processes.
4. Strengthened commitment to continuous improvement and excellence.
